## For Comfort and Calling

Allyson Sawtell, 2017

**Leader:** We are not alone. This reality is both a comfort and a calling.

**People:** Because we are not alone, we *will* go forward to work again and always for the sake of the earth and all her children.

**Leader:** All creation is connected in the web of life; we humans are not outside of this but a living part of it. This reality is both a comfort and a calling.

**People:** Because we are all connected to each other, we *will* listen to, work with, and fight for the web of life.

**Leader:** This is who we are:

**People:** We are creatures, water, air, earth. We are rainbows of color, gender, orientation, belief. Our bodies move, see, hear, communicate, and understand differently and diversely, all in the same dance.

**Leader:** This is who we are; this is our comfort and our calling.

**People:** We are not alone. We are connected. We *will* work, love, struggle, create, laugh, and hope. Together.

**ALL:** In the presence of all that we each call sacred, we *will* rise and go forth for the sake of the earth and all her children! So be it!
