

Not Ordinary Church

Creation Will Dance

Lyrics: Allyson Sawtell © 2019

Tune: Shaker Tune; public domain
(Simple Gifts / Lord of the Dance)

1. It's our call to live simply; this is Earth's fervent plea:
To be one with Creation, as we were meant to be.
We're all tied together, and connected by life.
Though we need each other, we live in strife
2. It's our children's right to have a world that is free
from hate, war, and fear, and inhumanity.
To inherit a world where all earth can thrive,
And with love and justice, be truly alive!

Refrain:

Live rightly within the Web of Life!
Bring healing and justice – not greed and strife,
And when we get ourselves to that place just right,
Creation will dance out of sheer delight!

3. It's our call to be listening, it's a gift to be wise
To hear life growing beneath Creation's cries
To keep finding hope where we thought there was none
To celebrate even small victories won
4. It's our call to live simply, it's our call to be one.
We need each other; God's work is never done.
To live, to love as God would have us be
Then all Creation will truly be free!

Refrain
