Who Is This God Who Calls To Us?

Lyrics by Allyson Sawtell, 10/12/15

Refrain (begin with the refrain):

Who is this God who calls to us?
A God who's here, within our world.
Not far removed or up above
A God of laughter, joy and love.

1. Enormous love, can't be caged in,
or claimed by only one belief
Who speaks to us and all of life
through faith and works and aspen leaf

2. Yet not just in our image made:
"O Cosmic Buddy, do our will!"
God-more-than-us, yet love made real.
More than we know, but with us still.

Refrain

3. And does this God who calls to
wait in vain for our reply?
Does fear or greed or too much stuff
get in the way so we don't try?

4. This is the God who calls to us
to mend creation, work for peace
to fight for justice, not ignore
the cries of all who need release

Refrain
